- Britain had a tradition of entrepreneurship and limited government intervention in the market
- Britain was geographically compact and easily formed a national market

'A History of Britain': A Response

A History of Britain: A Response SIMON SCHAMA IF I CONFESS TO SOME ASTONISHMENT at writing this response, it is only because I am even more astonished-and moved-that the American Historical Review judged a fifteen-part television series worthy of sustained critical consideration in the pages of an AHR Forum

One Big Thing: Britain, Its Empire, and Their Imperial Culture

This essay is a meditation on the notion of a mutually constituted history between Britain and its empire It was inspired by recent scholarship that advertises itself as an "imperial turn" in British history I am interested in how to write a history that understands Britain's history within the context of its empire Thus,
