weapons Chain mail was the most popular body de-fence used by thirteenth century European knights from the Latin circle Not surprisingly, Claude

Blair, one of the most outstanding European arms and armour researchers, called the period between 1066 and 1250 'the Age of Mail' and Andrzej Nadolski, a distinguished Polish scientist,

Weapons and Armour - WordPress.com

Armour made of rigid plates was used by the ancient Greeks and Romans and reappeared in Europe about the 13th Century. Plate armour dominated European armour design until the 17th Century, by which time the use of firearms had made body armour in general obsolete. Ancient Greek infantry soldiers wore plate armour consisting of a cuirass (a
